

Los Alamos National Laboratory

presents:

Northern New Mexico Middle School Science Competitions

New Mexico Regional Science Bowl

Date: April 5, 2008
Time: 9:00 am - 3:00 pm

Location: Albuquerque Academy at 6400 Wyoming Blvd. NE

The Science Bowl is an academic competition for students in grades 6 through 8 that tests students' knowledge in all areas of science. Middle school students are quizzed in a fast paced question and answer forum. Teams are comprised of up to four students, one alternate, and a teacher/coach (required).

Get your students excited about studying a wide variety of science topics

Each school may enter one or two teams. The competition will be limited to the first 40 teams that register

A teacher must be present at the competition for each team entered

Championship teams receive an all-expense paid trip to the national event in Denver, Colorado

Transportation costs to the event will be provided

A teacher stipend of \$100 will be provided

To register for this event contact Linda Anderman at (505) 665-4400 or anderman@lanl.gov

Application deadline: February 22, 2008

National Science Bowl

Hydrogen Fuel Cell Car Competition

Date: April 19, 2008
Time: 9:00 am - 3:00 pm

Location: Albuquerque Public Schools City Center at 6400 Uptown NE

The model hydrogen fuel cell car race provides students in grades 6 through 8 with a "hands-on" science and engineering experience where teams design, build, and race their model cars. Teams are comprised of up to six students plus a teacher/coach.

For Teachers

A teacher workshop will be held on **February 9th** at the Albuquerque Public Schools Montgomery Complex

Teachers will receive their own hydrogen fuel car kit, lunch, and a \$100 stipend

Transportation costs to the event will be provided
